INTRODUCTION

L'Office National de l'Emploi (ONEM), the Public Employment Services (PES) in the Democratic Republic of Congo (DRC) and the World Association of Public Employment Services (WAPES) organise the annual thematic workshop of the association in Africa with

- the support of the government of the Democratic Republic of Congo,
- the cooperation of the African association of Public Employment Services (AAPES)

This event is designed primarily to allow an exchange of information on a topic of interest for Public Employment Services, more specifically the WAPES region Africa members together with representative experts from other national and international organizations that are dealing with employment and labour market policies where PES are involved.

Topic: The 2010 workshop will address the following:

« The Public Employment Services in Africa and the provision of labour market information »

During this workshop we will share experiences and identify action lines on issues such as:

- *The role of PES regarding the research, delivery and the dissemination of labour market information.*
- *The role of PES regarding employment development and fight against unemployment.*
- *The tools and methods used.*
- *The collaborations and partnerships to engage with other public and private institutions that have a strategic role in this field.*

The workshop will take the form of panel discussions with experts:

- from Public Employment Services in Africa and from other WAPES regions,
- from international organizations working on issues relating to information on the labour market and the modernization of employment services in Africa (ILO -the African Union Commission and UNDP have been asked),
- from public and private institutions concerned with the knowledge on the labour market in Africa

These experts will share their experiences and their views on the concerned sub themes. The contributions of panellists will be extended by exchanges with the participants and deepening of the work through commissions.

Other events planned during the workshop:

- The African Association of Public Employment Services also plans to unite the members present in Kinshasa.
