### **Information about hosting PES - Vietnam**

PES in Viet Nam plays an important role in matching labour supply and demand as well as in collecting and providing labour market information. Viet Nam has set up a PES system which include 98 employment service centers in all provinces and cities nationwide. Of which, 63 employment service centers are under Department of Labour - Invalids and Social Affairs of province/city level; 35 centers are under the ministries, sectors, mass organizations (Labor Union, Youth Union, Women's Union, Farmers' Union, and Ministry of Defense).

Department of Employment (Ministry of Labour - Invalids and Social Affairs) is an organization which, among other functions, is responsible for state management for the employment services in general and for the whole system of Public Employment services in particular.
