# Program PUM-O

Supporting NEETs in integrating into the  
labour market

Živa Štiglic

Senior Advisor in the International Department  
Employment Service Of Slovenia

Employment Service  
of Slovenia

# PURPOSE

To help young adults, who are not employed or in education, or are at risk of dropping out of the education system, to enter the labor market more easily and acquire key competences and skills.

# GOALS

**Formation of professional identity, self-initiative and entrepreneurship**

**Equipping individuals with competences for inclusion**

**Developing learnability, shaping personal identity and encouraging active participation in society**

# KEY ACTIVITIES

**Personal career plan**

**Individual activities**

**Group activities**

# DUAL PERSPECTIVE

Reintegration into the social environment

Inclusion in the labor market

# RESULTS/LESSONS LEARNED

5,5 years

876 persons employed within 1 year

2981 persons included in the program

512 persons included in formal education
